The puppy is being sold with limited registration from the American Kennel Club. We encourage you to get your puppy spayed/neutered. If you prefer full registration, this can be discussed and agreed upon under certain circumstances. The puppy selected has been examined by a veterinarian and will come to the purchaser with up to date shot and worming records. The new owner has 7 days from the date of purchase to have the puppy examined by a qualified veterinarian to ensure that the puppy is normal and healthy. If the puppy is found to have health problems of any kind, it may be returned within the 7 – day period for a puppy of equal value. If no puppy is available, a refund will be provided for the purchase price only. We will not be held responsible for any other expenses incurred by the buyer for any reason. If the veterinarian finds the puppy to be in good condition, the buyer agrees to retain possession and thereafter hold the breeder blameless and not liable for any further medical condition of the puppy except those stated below in our guarantee..

Replacement is contingent on the puppy being returned to the seller in the same condition it left the sellers property, and with a written explanation by the veterinarian of choice. Expense of returning the puppy to the seller is the sole responsibility of the buyer. If the puppy ever needs rehoming please contact us first to try and find a suitable home.

We DO NOT GUARANTEE any health-related issues or loss of life due to reactions caused by vaccinations or flea and tick preparations administered either orally or on the skin surface. We DO guarantee the above puppy against any LIFE-THREATENING GENETIC disease for 2 years. In the event a life-threatening genetic disease occurs, the seller must receive signed vet documentation of the defect. The seller reserves the right of a second opinion from another vet of their choice. If a life-threatening genetic disease should occur, the seller will refund the purchase price only.
